

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST FOR CONFIDENTIAL TREATMENT OF	)	
BELLSOUTH TELECOMMUNICATIONS, INC.'S	)	CASE NO. 95-465
PROPOSED TARIFF MODIFICATION FOR	)	
MULTISERV <sup>SM</sup> /MULTISERV PLUS <sup>SM</sup>	)	

O R D E R

This matter arising upon petition of BellSouth Telecommunications, Inc. ("BellSouth"), filed October 20, 1995, pursuant to 807 KAR 5:001, Section 7, for confidential protection of the cost support data and contribution estimates developed in connection with the proposed modification of the MultiServ<sup>SM</sup> and MultiServ PLUS<sup>SM</sup> tariffs on the ground that disclosure of the information is likely to cause BellSouth competitive injury, and it appearing to this Commission as follows:

BellSouth has filed proposed modifications of its tariffs for MultiServ<sup>SM</sup> and MultiServ PLUS<sup>SM</sup>. In support of the proposed changes, BellSouth has provided (in Attachments C and D) cost support information and contribution estimates, developed in connection with the services, which it seeks to protect as confidential.

The information sought to be protected is not known outside of BellSouth and is not disseminated within BellSouth except to those employees who have a legitimate business need to know and act upon the information. BellSouth seeks to preserve and protect the

confidentiality of the information through all appropriate means, including the maintenance of appropriate security at its offices.

KRS 61.872(1) requires information filed with the Commission to be available for public inspection unless specifically exempted by statute. Exemptions from this requirement are provided in KRS 61.878(1). That subsection of the statute exempts several categories of information. One category exempted in paragraph (c)1 of that subsection is commercial information confidentially disclosed to the Commission which if made public would permit an unfair commercial advantage to competitors of the party from whom the information was obtained. To qualify for the exemption, the party claiming confidentiality must demonstrate actual competition and a likelihood of substantial competitive injury if the information is disclosed. Competitive injury occurs when disclosure of the information gives competitors an unfair business advantage.

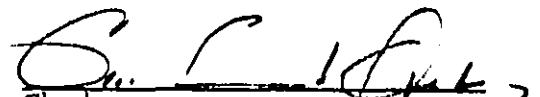

Competitors for MultiServ<sup>SM</sup> and MultiServ PLUS<sup>SM</sup> Services are providers of PBX and other customer premises equipment. Public disclosure of the information sought to be protected would enable such competitors to determine BellSouth's cost and contribution from the services, which they could use in marketing their competing services to the detriment of BellSouth. Therefore, disclosure of the information is likely to cause BellSouth competitive injury and the information should be protected as confidential.

This Commission being otherwise sufficiently advised,

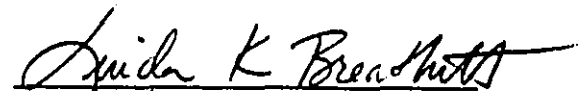

IT IS ORDERED that the cost support data and contribution estimates developed with the proposed modification of the MultiServ<sup>SM</sup> and MultiServ PLUS<sup>SM</sup> Service tariffs, which BellSouth has petitioned be withheld from public disclosure, shall be held and retained by this Commission as confidential and shall not be open for public inspection.

Done at Frankfort, Kentucky, this 30th day of November, 1995.
